Greater Manchester Drug and Alcohol External Review	<p>The report provided an overview of the challenges experienced in implementing the GM Drug and Alcohol Strategy (2019-2021) and the context for the decision to authorise an external review.</p> <p>In addition, the report summarised the findings of the review which found the GM system is not clearly able to demonstrate significant achievements in terms of reducing health harm, reducing drug related crime, and increasing recovery. The recommendations seek to facilitate coherent strategy, promote strong partnership working, efficient use of available resources, and a renewed focus and prioritisation of substance misuse, within the Public Service Reform agenda.</p>	<p>The Executive: -</p> <ul style="list-style-type: none"> <li>▪ Noted the recommendations which had been endorsed by the GM Health and Justice Board.</li> <li>▪ Supported the establishment of a GM Drug and Alcohol Group consisting of senior GM system representatives</li> <li>▪ Endorsed the enablers and prerequisites identified by the review: <ul style="list-style-type: none"> <li>○ A clear division of GM and locality responsibilities: A strategic framework and standards agreed at GM level with localities responsible for commissioning services and achieving outcomes.</li> </ul> </li> </ul>

		<ul style="list-style-type: none"><li>○ Adequate capacity to support the GM Drug and Alcohol Group: To co-ordinate strategic discussions, bring together localities, and oversee the outcomes framework. Inclusive of substance misuse treatment expertise, strategic planning and co-ordination, and data design and analysis skills.</li><li>○ Adequate capacity to support locality drug and alcohol commissioning: There should be sufficient investment to ensure there is at least 1 Full Time Equivalent in each locality solely focused on this sector to enable positive involvement in strategic work and quality in commissioning.</li><li>○ A GM Drug and Alcohol Business Planning Group: Reporting to the GM Drug and Alcohol Group on outcomes, attended by locality Drug and Alcohol Commissioners, focused on the challenges of aligning delivery and making efficient use of resources.</li><li>○ Take every opportunity to integrate specialist substance misuse services with neighbourhood place-based services developing under the Public Service Reform agenda: At GM level set a broad framework within which commissioning processes can take place - the framework should be based on the available evidence of what range and type of services are most likely to achieve the agreed outcome objectives.</li><li>○ Position criminal justice, homelessness and worklessness services as 'customers' of specialist substance misuse services: Collaborating on devising</li></ul>
