Dear Mark

**Greater Manchester Combined Authority - Audit for year ended 31 March 2021**

This representation letter is provided in connection with your audit of the financial statements of Greater Manchester Combined Authority ('the Authority') and its Group for the year ended 31 March 2021 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 (the Code) and applicable law.

I confirm that the following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, inspection of supporting documentation) sufficient to satisfy myself that I can properly make each of the following representations to you.

**My responsibility for the financial statements and accounting information**

I believe that I have fulfilled my responsibilities for the true and fair presentation and preparation of the financial statements in accordance with the Code and applicable law.

**My responsibility to provide and disclose relevant information**

I have provided you with:

- access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other material;
- additional information that you have requested from us for the purpose of the audit; and
- unrestricted access to individuals within the Authority and Group you determined it was necessary to contact in order to obtain audit evidence.

I confirm as the Authority's Treasurer that I have taken all the necessary steps to make me aware of any relevant audit information and to establish that you, as auditors, are aware of this information.

As far as I am aware there is no relevant audit information of which you, as auditors, are unaware.

### **Accounting records**

I confirm that all transactions that have a material effect on the financial statements have been recorded in the accounting records and are reflected in the financial statements. All other records and related information, including minutes of all Combined Authority and committee meetings, have been made available to you.

### **Accounting policies**

I confirm that I have reviewed the accounting policies applied during the year in accordance with Code and International Accounting Standard 8 and consider these policies to faithfully represent the effects of transactions, other events or conditions on the Authority and Group's financial position, financial performance and cash flows.

### **Accounting estimates, including those measured at fair value**

I confirm that any significant assumptions used by the Authority and Group in making accounting estimates, including those measured at current or fair value, are reasonable.

### **Contingencies**

There are no material contingent losses including pending or potential litigation that should be accrued where:

- information presently available indicates that it is probable that an asset has been impaired or a liability had been incurred at the balance sheet date; and
- the amount of the loss can be reasonably estimated.

There are no material contingent losses that should be disclosed where, although either or both the conditions specified above are not met, there is a reasonable possibility that a loss, or a loss greater than that accrued, may have been incurred at the balance sheet date.

There are no undisclosed contingent gains which should be disclosed.

All material matters, including unasserted claims, that may result in litigation against the Authority and Group have been brought to your attention. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for and disclosed in accordance with the Code and applicable law.

## **Laws and regulations**

I confirm that I have disclosed to you all those events of which I am aware which involve known or suspected non-compliance with laws and regulations, together with the actual or contingent consequences which may arise therefrom.

The Authority and Group has complied with all aspects of contractual agreements that would have a material effect on the accounts in the event of non-compliance.

## **Fraud and error**

I acknowledge my responsibility as the Authority's Treasurer for the design, implementation and maintenance of internal control to prevent and detect fraud and error.

I have disclosed to you:

- all the results of my assessment of the risk that the financial statements may be materially misstated as a result of fraud;
- all knowledge of fraud or suspected fraud affecting the Authority and Group involving:
  - management and those charged with governance;
  - employees who have significant roles in internal control; and
  - others where fraud could have a material effect on the financial statements.

I have disclosed to you all information in relation to any allegations of fraud, or suspected fraud, affecting the Authority and Group's financial statements communicated by employees, former employees, analysts, regulators or others.

## **Related party transactions**

I confirm that all related party relationships, transactions and balances, have been appropriately accounted for and disclosed in accordance with the requirements of the Code and applicable law.

I have disclosed to you the identity of the Authority and Group's related parties and all related party relationships and transactions of which I am aware.

## **Future commitments**

I am not aware of any plans, intentions or commitments that may materially affect the carrying value or classification of assets and liabilities or give rise to additional liabilities.

## **Subsequent events**

I confirm all events subsequent to the date of the financial statements and for which the Code and applicable law, require adjustment or disclosure have been adjusted or disclosed. Should further material events occur after the date of this letter which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, I will advise you accordingly.

### **Going concern**

I confirm that I have carried out an assessment of the potential impact of the Covid-19 pandemic on the Authority and Group, including the impact of mitigation measures and uncertainties and am satisfied the going concern assumption remains appropriate and that no material uncertainty has been identified. To the best of my knowledge there is nothing to indicate that the Authority and Group will not continue as a going concern in the foreseeable future. The period to which I have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts.

### **Unadjusted misstatements**

I confirm that the effects of the uncorrected misstatements are immaterial, both individually and in aggregate, to the financial statements as a whole. All uncorrected misstatements are included in Appendix A

Yours Sincerely,

Steve Wilson
