

WORK PROGRAMME 2021/22

HOUSING, PLANNING & ENVIRONMENT OVERVIEW AND SCRUTINY COMMITTEE

The table below sets out the Committee’s work programme for this municipal year. Members are invited to further develop, review, and agree topics which they would like to consider. Items considered last year are appended at the back of this report. The work programme will be reviewed and if necessary updated following each meeting to ensure that the Committee’s work programme remains current.

In addition, the Committee will receive the GMCA’s register of key decisions and the GMCA’s monthly decision notice.
