(RECORDING OF DECISIONS MADE BY INDIVIDUALS)

1. Decision Summary:

Decision Maker : Chief Executive Officer, GMCA & TfGM	Date of Decision 14 th January 2022
Date Decision Published 14 th January 2022	Date Decision will come into force 4:00 p.m 21 st January 2022
Subject: Purchase of Expired Rail Wagons for Waste Transport	
Reason for urgent decision: Cancellation of GMCA Waste and Resources Committee scheduled for 26 th January 2022 due to Covid 19 pandemic	

Type of Decision: Non Mayoral Decision Made by Officers

2. Details of the Decision:

The decision is that:
A lifecycle replacement programme for rail wagons over the next five years be implemented and the resulting capital and revenue requirements be built into the Waste budget. Ten wagons will be ordered each year for the next four years (commencing 2022/23) and nine in the fifth year.
The reasons for the decisions are:
The rail wagons are due to exceed their economic life and rail transport of waste is anticipated to continue until at least 2034 when current contract arrangements expire.

Alternative options considered and rejected when making the decision:
Leasing of wagons has been assessed but increases the annual revenue cost and there is a risk that 51 lease wagons may not be available at all times when required which would impact on service delivery.
