**AQC 21/48 THE MINUTES OF THE MEETING HELD ON 28 FEBRUARY 2022**

**RESOLVED /-**

That the minutes of the meeting held on 28 February 2022 be approved.

**AQC 21/49 GM CLEAN AIR PLAN – MARCH 2022 UPDATE**

Consideration was given to a report that provided an update on the scope of the review of the Clean Air Plan and the participatory policy development approach, as well delivery arrangements, including signage and funding.

The following comments were made:

Members were advised that the final proposals on the proposed way forward and impact assessments would be formally reported to GM authorities in June 2022, prior to 1 July submission to the Secretary of State.

In progressing the review, the development of the new policy would ensure relevant vehicle owners and their representative bodies would be provided with the opportunity to influence any revised and existing financial support packages.

It was noted that GM authorities would continue to seek to ensure that government takes appropriate action in relation to the A628/A57 Strategic Road Network to ensure the

benefits to the health of the residents in the villages of Hollingworth and Mottram can be realised.

Members were advised that work was currently underway with Highways England to cover the opening date on installed signs to indicate that the scheme is currently under review.

It was clarified that a final decision on further public consultation will follow once the new plan has been set out in its initial form and that the approach to a consultation on the future plan would be reported to Greater Manchester local authorities in June 2022.

#### **RESOLVED /-**

1. That the scope of the review of the Clean Air Plan be noted.
2. That the participatory policy development approach be noted.
3. That the approach to a consultation on the reviewed plan will be reported to GM authorities in June 2022 be noted.
4. That the information to be published on the FAQ section of CleanAirGM.com be noted.

#### **AQC 21/50 DATE OF NEXT MEETING**

Future meeting dates for the next municipal year are to be confirmed.
