Overview & Scrutiny Committee - 8th February 2023

1. Introduction and Background

- 1.1 This report presents an overview of the proposed Greater Manchester Combined Authority (GMCA) budgets for 2023/24. It summarises the position on the Mayoral General Budget and Precept, GMCA General Revenue Budget, GMCA Transport Revenue budget including Transport Levy and Statutory Charge, the GM Waste Service Levy and the Capital Programme 2022/23 – 2025/26.
- 1.2 The report and the attached papers set out the implications of the proposed budgets and the resultant charges on districts and the Mayoral Precept.

2. Principles Underlying development of the Mayoral and GMCA budgets

- 2.1 The budgets presented to the Combined Authority for approval focus on the delivery of the priorities set out in the Greater Manchester Strategy (GMS).
- 2.2 Delivery of the GMS priorities will require the GMCA, Districts, businesses and the voluntary and community sector and other stakeholders to work in partnership. The Mayoral precept and GMCA budgets will support key areas of delivery for the strategy and its implementation plan, particularly in areas where the investments made in Districts can be supported by the GMCA.

3. Overview of GMCA Budgets

- 3.1 The overall GMCA budgets are made up of a variety of both historic budgets and new budgets relating to the functions provided by the Mayor and the GMCA as a whole.
- 3.2 The various orders under which these functions are provided, determine how such costs are funded such that:
 - **Mayoral General Budget** – Funded from the Mayoral precept and statutory charge/contributions from the districts (excluding the transport

levy). Fire funding is part of the Mayoral precept but also receives a revenue support grant, business rates income and a top up grant.

- **GMCA Transport Revenue Budget** – This is funded from a contribution from the mayoral budget for statutory mayoral functions including Bus services and from a levy on district budgets for non-mayoral functions in relation to public transport and a contribution to Metrolink financing costs agreed previously as part of the establishment of the Greater Manchester Transport Fund. The budget also includes a number of other grants received in relation to specific activities.
- **GMCA General Revenue Budget** – This includes corporate, devolved and programme funded activities of the Combined Authority. The budget is made up of a number of specific Government grants, including the Adult Education Budget, retained business rates, District contributions, earmarked reserves, internal recharges to other GMCA budgets and external income.
- **Greater Manchester Waste and Resources – Budget and Levy 2023/24 and Medium Term and Financial Plan** – This is funded through a levy to the nine GM districts who participate in the GM waste service (Wigan are not part of the waste contract). The contributions are on the basis of an agreed funding mechanism (LAMA).
- **GMCA Capital Programme 2022/23 – 2025/26** – The required capital programme to support the delivery of Transport, Fire and Rescue, Waste and Resources and Economic Development and Regeneration projects. The report sets out the capital funding statement funded from a variety of sources including grant and external borrowing.

3.3 This paper does not present the budget proposals for GM Police or the Police and Crime function. At the meeting on the 26th January 2023, it was noted by the Police, Fire and Crime Panel that the Mayor had considered his proposed increase

to the police precept in light of the responses by members of the public to the proposals set out in the consultation which concluded on the 25th January 2023.
