<b>Subject:</b>
<b>A0894 Regional Framework for the Provision of Vehicle Spare Parts</b>

<b>Type of decision:</b>				
<b>Deputy decision</b>	<b>Mayor's</b>	<b>X</b>	<b>Chief Officer's decision</b>	

The Deputy Mayor approves the award of a 2 year contract for the provision of Vehicle Spare Parts to Parts Alliance Ltd and Fleet Factors Ltd, with the option to extend for a further 2 years. The likely value of 4 years spend would be circa £1 million.

**The reasons for the decision are:**

Following competition Parts Alliance emerged as the preferred supplier for Lots 1 to 3, and Fleet Factors emerged as the preferred supplier for Lot 4.

**Alternative options considered and rejected:**

In accordance with procurement legislation the highest scoring bidder, using the published criteria, has to be selected.

**Financial comments:**

The cost of this contract will be circa £250,000 per annum and there is appropriate provision for this in the current budget.

**Legal comments:**

The framework and subsequent contracts will be awarded as per the standard terms and conditions of the standard GMCA Terms and Conditions.

These have been reviewed by the Force Contracts Solicitor and no issues have been identified.

**Risk Assessment:**

There is a risk that one of the suppliers which has been excluded on the grounds they don't pay the Real Living Wage as mandated may challenge. This would impact the outcome of one lot only. Further work is required in this area of the tender process as it is an aim of the Mayor for Manchester to be a Real Living Wage city and GMP is working with its Greater Manchester colleagues on this matter.

No other procurement risks have been identified.
