

Greater Manchester Transport Committee – Master Work Programme

November 2022 to February 2023

The table below suggests the Committee's work programme from November 2022 to February 2023.

Members are invited to further develop, review and agree topics which they would like to consider. The work programme will be reviewed and updated regularly to ensure that the Committee's work remains current.

The key functions of the Committee are –

- **Accountability:** active and regular monitoring of the performance of the transport network, including the Key Route Network, the operation of the GM Road Activities Permit Scheme, road safety activities, etc as well as all public transport modes. This role will include holding service operators, TfGM, highway authorities and transport infrastructure providers to public account, and to recommend appropriate action as appropriate;
- **Implementation:** oversee the delivery of agreed Local Transport Plan commitments. This includes the active oversight of the transport capital programme, and decisions over supported bus services network to be made within the context of policy and budgets set by the Mayor and the GMCA as appropriate; and
- **Policy Development:** undertake policy development on specific issues, as may be directed by the Mayor and / or the GMCA
