

DECISION NOTICE (GMP)

Decision author and proposer: Alison Harper / Tom Baker

Subject:
A0967 Data Warehouse and Legacy Data Store

Type of decision:			
Deputy decision	Mayor's	X	Chief Officer's decision

<p>The decision is that:</p> <p>The Deputy Mayor approves the direct award of a 4 year and 6 month contract for the provision of the data warehouse reporting tool and legacy data store, to Capita Consulting, with the option to extend for a further 2 x 1 year. The likely value of 6.5 years spend would be circa £2.03m.</p>
<p>The reasons for the decision are:</p> <p>Procurement legislation requires GMP to award a new contract for these goods and services. The recommended route of the CCS RM6259 framework, Lot 5: Blue Light Solutions framework, provides the most effective route to market.</p>
<p>Alternative options considered and rejected:</p> <ul style="list-style-type: none"> • Do nothing – rejected as non-compliant with Procurement Legislation and Chief Constable’s Financial Instructions. • Undertake a bespoke procurement exercise (OJEU) –rejected as there is a suitable framework available. • Extend current arrangements – rejected as non-compliant with Procurement Legislation and Chief Constable’s Financial Instructions.
<p>Financial comments:</p> <p>The cost of this contract will be circa £2.03m and there is appropriate provision for this in the current budget.</p>
<p>Legal comments:</p> <p>The contract will be awarded using the CCS RM6259 framework.</p>

These have been reviewed by TLT LLP and no issues have been identified.

Risk Assessment:

There are no risks as this is a compliant process.

Can this decision notice be published in the public domain:

This decision notice can be published in the public domain as part of the communication provided for the RMS programme.
