

DECISION NOTICE

Decision author and proposer: Ashleigh Kent-Stallwood, Project & Policy Officer, Police, Crime, Criminal Justice & Fire Team

Subject: Venue Booking Gender-Based Violence Board

Type of decision: Funding Agreement
--

Deputy Mayor's decision		Chief Officer's decision	X
--------------------------------	--	---------------------------------	----------

In all case this will need to be approved by the Director Police, Crime, Criminal Justice and Fire.

<p>The decision is that: A payment of £480.00 be made by the Gender-Based Violence (GBV) Board to Greater Manchester Chamber of Commerce to book a room covering meeting space for 30 attendees for a Board meeting to be held on 20 June 2023.</p>
--

<p>The reasons for the decision are: To allow the GBV Board to meet in person. The GBV Board meets quarterly to drive and oversee implementation of the city-region's ten-year GBV Strategy.</p>

<p>This decision will contribute to priorities of the Greater Manchester strategy in the following ways: The GBV Strategy is vital to delivering on Greater Manchester's Our People, Our Place commitments to being a place where 'people are proud to live', where 'all children are given the best start in life', and 'where all voices are heard'.</p> <p>The ambition is to challenge the attitudes and social conditions that sustain or excuse GBV and deliver whole system improvements in responses to those affected by it. These will fundamentally change the story of Greater Manchester in terms of what it delivers with regard to safety for women and girls, gender equality, challenging misogyny - the contempt that follows from ingrained sexism - and holding perpetrators of GBV - the majority of whom are men and boys - to account.</p>
--

<p>Procurement Comments: Due to the low value (below £5000) procurement comments have not been sought. This will be managed through a purchase order with the Greater Manchester Chamber of Commerce.</p>
--

Financial comments:
To be funded from the GBV Strategy fund.

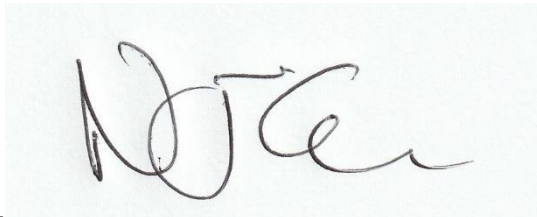

Legal comments:
None sought.
