# 1. Introduction

- 1.1 The purpose of this report is to set out the process for the Police, Fire and Crime Panel's scrutiny of the Police and Crime Commissioner's (PCC) proposed precept for 2024/25.
- 1.2 As part of the Comprehensive Spending Review (CSR) for 2022/23 2024/25 in autumn 2021 the Government announced a £10 council tax referendum limit for a Band D property in each of the three years 2022/23 to 2024/25. The referendum limit was increased in 2023/24 to £15 in autumn 2022. The 2023 autumn budget is expected on 22<sup>nd</sup> November 2023, until then the latest information available on the 2024/25 precept is for a £10 limit as announced in the autumn 2021 CSR.

# 2. Police, Fire and Crime Panel – Scrutiny of Precepts

- 2.1 The process for the Police, Fire and Crime Panel (PFCP) scrutiny of the police and crime commissioner's (PCC) proposed precept should be read alongside:
  - Schedule 5 of the Police Reform and Social Responsibility Act 2011 ("the Act") <u>http://www.legislation.gov.uk/ukpga/2011/13/contents/enacted</u>
  - Part 2 of the Police and Crime Panels (Precepts and Chief Constable Appointments) Regulations 2012 ("the Regulations")

Hyperlinks to the document are provided however the salient points are described below along with a flow chart on page 5.

2.2 Schedule 5 of the Act sets out the process for issuing a precept, including the panel's role in reviewing the proposed precept, their power to veto the precept and the steps to be taken if they do veto the proposed precept. The Regulations provide greater detail to the Act, including time limits applicable to the stages of the process and the process for reviewing and issuing a revised precept.

Schedule 5 requires:

- the PCC to notify the panel of his/her proposed precept;
- the panel to review the proposed precept;
- the panel to make a report to the PCC on the proposed precept (this may include recommendations);
- the panel's report (if they veto the proposed precept) to include a statement that they have vetoed it;
- a decision of veto to be agreed by two-thirds of the panel members;
- the PCC to have regard to the report made by the panel (including any recommendations in the report);
- the PCC to give the panel a response to their report (and any such recommendations);
- the PCC to publish the response.
- 2.3 It is for the panel to determine how a response to a report or recommendations is to be published. If there is no veto and the PCC has published his/her response to the panel's report, the PCC may then issue the proposed precept or a different precept (but only if in accordance with a recommendation in the panel's report to do so).
- 2.4 The Regulations require:
  - the PCC to notify the panel of his/her proposed precept by 1 February;
  - the panel to review and make a report to the PCC on the proposed precept (whether it vetoes the precept or not) by 8 February 2024;
  - where the panel vetoes the precept, the PCC to have regard to and respond to the Panel's report, and publish his/her response, including the revised precept, by 15 February 2024;
  - the panel, on receipt of a response from the PCC notifying them of his/her revised precept, to review the revised precept and make a second report to the PCC by 22 February 2024;
  - the PCC to have regard to and respond to the Panel's second report and publish his/her response, **by 1 March 2024**.

- 2.5 If the panel fails to report to the PCC by 8 February 2024 the scrutiny process comes to an end, even if the panel have voted to veto the proposed precept, and the PCC may issue the proposed precept.
- 2.6 Where the panel vetoes the proposed precept, the PCC must have regard to the report made by the panel, give the panel a response to the report and publish the response, by 15 February 2024. In his/her response, the PCC must notify the panel of the revised precept that he intends to issue.
- 2.7 Where the panel's report indicates that they vetoed the precept because it was:
  - too high, the revised precept must be lower than the previously proposed precept.
  - too low, the revised precept must be higher than the previously proposed precept.

The PCFP may only veto the first proposed precept. Such a veto must be agreed by two-thirds of PCFP members (the full membership rather than those present at a meeting). Where a veto occurs, the report to the PCC must include a statement to that effect.

- 2.8 On receipt of a response from the PCC notifying them of the revised precept proposal, the panel must review the revised precept proposal and make a second report to the PCC on the revised precept by 22 February 2024. This report may:
  - indicate whether the panel accepts or rejects the revised precept (although rejection does not prevent the PCC from issuing the revised precept); and
  - make recommendations, including recommendations on the precept that should be issued.
- 2.9 If the panel fails to make a second report to the PCC by 22 February 2024, the PCC may issue the revised precept.
- 2.10 Excluding where the panel fails to report on the proposed precept by 8 February 2024 or make a second report on the revised precept by 22 February 2024, the

scrutiny process ends when the PCC gives the panel his/her response to their second report. The PCC may then:

- issue the revised precept; or
- issue a different precept, although:
  - they must not issue a precept that is higher than the revised precept if the revised precept was lowered following the panel's initial report on the first proposed precept indicating it was vetoed because it was too high;
  - they must not issue a precept which is lower than the revised precept if the revised precept was raised following the panel's initial report on the first proposed precept indicating it was vetoed because it was too low.

## 3. Timetable for Greater Manchester Police Precept 2024/25

- 3.1 The nationally set timescales outlined in this report are the final dates by which the precept setting must take place, these do not lend themselves to coordination of precept setting at a Local Authority level. The police precept is required to be included in each Local Authority's Council Tax setting report with the majority of Greater Manchester Council's holding their budget / precept setting Council meetings towards the end of February to allow for the printing of Council tax bills in time for 1 April 2024.
- 3.2 For this purpose a timetable for the setting of the police precept in Greater Manchester is as follows and allows for the statutory time periods should the Police, Fire and Crime Panel wish to veto the initial precept presented to them.
