Overview and Scrutiny Committee

10th September 2024

1. Introduction/Background

This paper provides an overview of the Greater Manchester wide service redesign projects currently progressing through for engagement and/or consultation. Not all the projects are substantial and therefore not all will be subject to full consultation.

The list of projects will change as projects begin, progress, or are paused or cancelled.

This report will be updated every month to allow JHSC to stay up-to-date with the latest position and to request further information as required.

2. Projects

Project and anticipated level of engagement	Current stage	Overview
Adult ADHD <i>Proposed consultation</i>	NHS England review	There are currently long waiting times for adult ADHD diagnosis services. Engagement has been completed, along with options appraisal and the first stage of the NHS England assurance process has been successfully completed. We are currently planning for the second stage of the assurance process and the consultation.
Children's ADHD <i>Engagement followed by possible consultation</i>	Engagement planning	There are currently long waiting times for children's ADHD diagnosis services. Engagement is currently being planned to understand the current experience of the service and the needs of the people who use it. It is due to launch early September and will run for a minimum of 8 weeks. Date of JHSC: to be confirmed
IVF cycles <i>Proposed consultation</i>	Options appraisal and NHS England review	The number of IVF cycles offered across Greater Manchester varies depending on where people live. This service redesign is looking at a policy that is equitable across Greater Manchester. Engagement has been completed, and options appraisal is beginning. This is progressing through the first stage of the NHS England assurance process. Date of JHSC: 16 th July 2024
