#### 1. INTRODUCTION

- 1.1 The GM LEP sits at the heart of Greater Manchester's governance arrangements, offering private sector insight, guidance and challenge to the development of GM's strategic agenda in partnership with the GMCA.
- 1.2 The role of LEP Chair is crucial to the success of this approach by providing leadership and strategic direction to the Board and harnessing the knowledge, insight and experience of LEP members in delivering GM's ambitions.
- 1.3 The current Chair was appointed in 2011 with the LEP Board approving his continuation in this role as part of the regular Board membership reviews with the last such review having taken place in Spring 2019.
- 1.4 However, the Chair's term of office comes to an end at the end of the 2019/20 requiring a new Chair to be appointed by March 2020. This report sets out the results of the recruitment campaign to find a new chair and the recommendation from the LEP Board on the final appointment.

#### 2. CHAIR RECRUITMENT

- 2.1 In line with national guidance set out in the 2018 LEP Review, and advice received from Government officials, an open recruitment was launched in September 2019 in line with the approach taken previously when recruiting new private sector LEP members.
- 3.1 Recruitment was open to new candidates along with existing Board members and included adverts in the local and national press outlining the Chair role and person specification (this is attached at Appendix A).
- 3.2 The recruitment campaign was highlighted on both the GMCA and LEP websites along with publication on <a href="www.nonexecutivedirectors.com">www.nonexecutivedirectors.com</a> (a leading site for non-executive and trustee roles with over 35,000 registered members bringing global reach across all sectors and industries).
- 3.3 Similarly, the campaign sought to boost the number of eligible women applying through advertising through a dedicated women directors' network (<a href="www.womendirectors.com">www.womendirectors.com</a>).
- 3.4 Following the initial sift of candidate and matching against the agreed criteria, two candidates were identified to go through to the final Interview Panel Lou Cordwell and Mo Isap. The Panel's role is to recommend a Chair be appointed to the LEP prior to confirmation by the GMCA.

- 3.5 The Panel consisted Sir Richard Leese as Deputy Mayor for Business and the Economy along with Amanda Halford representing the LEP Board and Clive Memmott of the GM Chamber of Commerce for the wider GM business community
- 3.6 Following a successful interview, and given that both candidates are existing LEP Board members, the Panel is proposing to retain their combined knowledge, insight and experience by appointing them as Co-Chairs of the LEP Board.
- 3.7 Working together, the prospective Co-Chairs are committed to taking on this challenge and making a real difference to the region alongside LEP Board members and the wider business community.
- 3.8 By reflecting Greater Manchester's commitment to inclusive growth, the LEP can ensure the private sector can play its part in driving growth and ensuring all our residents can enjoy the benefits of that growth.

#### 4. **RECOMMENDATIONS**

4.1 Recommendations are set out at the front of this report.
