GMCA 37/20 CHAIRS ANNOUNCEMENTS AND URGENT BUSINESS

The GM Mayor paid tribute to Councillors Ray Bowker from Trafford and Councillor Christine Wild from Bolton who had both recently passed away with their funerals taking place on the day of this meeting. Members heard that Councillor Ray Bowker was a lifelong Timperley resident, elected in 1973 and serving Trafford Council with great distinction during his political career working on nearly every committee and receiving an MBE in 2002 for a lifetime of service to the community. Councillor Christine Wild had a strong passion for education and was the Executive Member for Children’s Services for Bolton, serving as the Chair of the Governing Body for Sharples High School where she would particularly be remembered very fondly.

The GM Mayor proposed to table the Better Buses Fund Report as an item urgent at this meeting in order to progress submission to Government prior to the deadline of the 13 March 2020. It was also proposed that the Revised Levy Allocation Methodology Agreement for Waste Disposal Levy be taken as an urgent item due to the requirement that the methodology be approved before the levy be set.

The GM Mayor welcomed the recent announcement from the Prime Minister on the future of HS2 and Northern Powerhouse Rail with a move away from the initial North-South terminus project and a proposed move to a more integrated East-West North-South rail solution, which was something GM had been lobbying for. It was highlighted that there had been a commitment to set up a body called High Speed North to facilitate the East-West aspects of the project. GM would be pressing for an earliest possible timetable to achieve the project, but that this should be balanced with the need to work closely with the new body to assure designs were fit for purpose and avoid any future capacity issues. It was also reported that in the run up to the Budget the case would be made strongly for infrastructure investment at Manchester Piccadilly Rail Station for platforms 15 and 16. This was stated as an essential ‘shovel ready project’ which would benefit the whole of North of England as it would remove the pressures on the Castlefield Corridor bottle neck to ease trains passing through from other areas.

The GM Mayor and City Mayor of Salford called for a national lobby of Parliament on 25th February ahead of the budget in support of GM residents of high rise buildings experiencing extreme difficulties due to cladding being deemed unsafe. Residents were suffering hardships as a result was being laid with residents whilst also encountering difficulties in onward selling. The GM Mayor welcomed any additional Members who wished to travel to Westminster in support, stating that it was time recognition was given that unsafe cladding needed to be removed and that it was Government’s responsibility to provide reassurance to residents on these matters.
RESOLVED/-

1. That the condolences of the GM Mayor and all members of the GMCA be extended to the families of Councillor Ray Bowker (Trafford) and Councillor Christine Wild (Bolton) whose funerals were taking place today.

2. That the following reports be considered as items of Urgent Business:
   - Better Buses Fund
   - Revised Levy Allocation Methodology Agreement for Waste Disposal Levy

3. That the recent announcement by the Prime Minister regarding HS2 and Northern PowerHouse Rail, with the establishment of High Speed North tasked to progress the work be welcomed.

4. That it be noted that Government would be pressed for the earliest timetable, recognising that the emphasis must be on delivering the right railway network to ensure that network capacity was future proof and was a North - South and East – West service for the North.

5. That it be noted that strong representations would be made to Government for the essential investment required at Manchester Piccadilly Rail Station, in particular in relation to platforms 15 & 16, which would deliver benefits by easing the Manchester bottleneck and allowing services to run more freely across the whole of the North of England.

6. That it be noted that on the 25 February 2020 the GM Mayor Andy Burnham and City Mayor Paul Dennett had called for a national lobby of Government to support the residents of Greater Manchester who are victims of unsafe cladding on residential buildings.

7. That it be noted that the High Rise Task Force would be publishing their report on 25 February 2020.

GMCA 38/20 DECLARATIONS OF INTEREST

That the GM Mayor, Andy Burnham declared a personal interest in relation to items 11 & 14 (GM Investment Framework Approvals).

It was noted that this had been Steve Wilson’s first budget since taking over from Richard Paver as the GMCA Treasurer, Members welcomed working with him.

RESOLVED/-

1. That the report be noted.

2. That the GMCA record its thanks to Steve Wilson (GMCA Treasurer) and officers of the GMCA Finance Team for their work in preparing the budget.

GMCA 41/20  GMCA MAYORAL GENERAL BUDGET & PRECEPT PROPOSALS (KEY DECISION)

Councillor Richard Leese, Deputy Mayor took the Chair for this item of business, given the GMCA was considering the budget proposal from the GM Mayor.

The GM Mayor outlined the proposals for his General Precept for 2020/21 including Greater Manchester Fire & Rescue Service and set the context which had guided the approach to setting the levels of these proposals. It was acknowledged that Council tax was a regressive form of tax, and that increases had the potential to hit the poorest communities the hardest, a proposed precept increase had unfortunately been necessary in order to support public service priorities in the absence of increased Government funding support.

Members were asked to consider this proposal alongside the police precept which was £10 in line with Government guidance. It was highlighted that this commitment would enable a named neighbourhood Police Constable and a named PCSO for every local authority ward in each Borough within Greater Manchester. The GM Mayor reminded Members that following the police precept for 2018/19 had resulted in an accelerated recruitment process resulting in an additional 150 officers recruited so far.

The GM Mayor introduced the changes to The GM Mayor’s general precept which were proposed as increase of £14 for a band D property and £10.88 for Bands A-B. The majority of the single biggest allocation of £6.65 per household was highlighted for the GM Fire and Rescue Service (GMFRS) with an aim to adopt a front-line approach. The precept increase would also allow for recruitment of an additional 108 firefighters. In response to previous concerns raised around crewing levels for GMFRS, crewing levels would be maintained at 5 for single pump vehicles, and 8 for double pump vehicles.

The GM Mayor highlighted the invaluable service provided by the emergency services, in particular the GMFRS response to the Cube Fire in November 2019.
Members were also advised that the proposal to merge fire stations in Bolton would be deferred to facilitate further consultation with Bolton Council and community leaders.

The GM Mayor acknowledged the financial challenges of the last few years, with available funds utilised as best as possible. It was stated that there was a need for Government to increase their support for crucial emergency services and that campaigning for this would continue.

Members heard that part of The GM Mayor’s general precept would continue to support the process for GM bus reform, and also continue to fund the Our Pass scheme. The Bed Every Night scheme was also highlighted as receiving a modest contribution from the Mayor’s general precept, and that Government would be lobbied to provide match-funding. It was noted that the Scheme had so far contributed to a 37% reduction in people sleeping rough across Greater Manchester.

Members echoed the views of The GM Mayor in expressing disappointment and frustrations at the insufficient levels of funding support from Government which had resulted in GM being required to increase precepts in order to fund its Emergency Services. Government needed to do more to assist with the challenges relating to high rise buildings which had created an industrial regulatory crisis. Members acknowledged the limitations of setting a 1–year budget during a period of uncertainty, and that there was a need to set a budget over longer periods. The Fair Funding Review had highlighting that northern local authorities were disproportionately losing significant funds.

Members asked The GM Mayor for a commitment around digitally enabled crime, both The GM Mayor and Deputy Mayor acknowledged that this was increasingly a more concerning issue. It was clarified that the response to Cyber Crime was constrained by national arrangements which were conducted by the Home Office Action Fraud, with limitations from local response due to the geographical nature of this crime. It was clarified that locally, GM had resources to assist victims and scam-busters that work with particularly vulnerable people. It was also noted that work had taken place to increase resilience in businesses for this risk. In relation to the child sexual exploitation element of this threat, The GM Mayor highlighted ongoing work with GMP’s Chief Constable to fully resource Operation Green Jacket, and to explore the possibility of introducing more school based police officers.

Members were updated on general GMP resourcing. It was highlighted that there were 6660 Police Officers currently in place now, with 7000 projected by 2021 which was up from 6000 in 2017. It was stated that recent recruitment had been aimed to strengthen neighbourhood policing as front line officers had been particularly stretched by the impacts of funding cuts. Members heard that there had been an aim to improve engagement between the police and the public through interventions including the utilisation of digital channels such as live-functions for crime reporting. The police precept was also noted as supporting the appointment of an additional 40 police call handlers. The Deputy Mayor stated that a more detailed breakdown on the proposals included in the budget funded by the precept would be brought to a future meeting of the GMCA.

The meeting was advised that a named vote was required to approve the proposals for The GM Mayoral General Budget. Members voted on the recommendations as follows:

12. That the GMCA recorded its thanks to the people of Greater Manchester for their ongoing support to public services in recent times of austerity.

13. That in relation to the issue of cyber-crime, it be noted that the GMCA would seek to raise the issue again with the Home Office, as despite the implementation of a range of local measures, there was a need for increased capacity to ensure resources could meet this growing area of crime.

14. That it be noted that the GMCA would ask the Government to reaffirm its commitment to maintain the level and increase the length of term of Local Authority budgets to allow for longer term planning, and minimise further cuts to services.
