

GM GREEN CITY REGION PARTNERSHIP

Date: 15th July 2022

Subject: Work Programme and Challenge Group Updates

Report of: Challenge Group Chairs

PURPOSE OF REPORT

The purpose of this report is to outline the Work Programme for the GM Environment Directorate for 2022/23 and to provide an initial list of Task and Finish Activities for the Green City Region Challenge Groups.

If the proposed changes to the Challenge Groups are agreed (under Item 5) then the initial list of Task and Finish Activities presented here will be amended to reflect the changes to Group structure.

RECOMMENDATIONS:

The Partnership is asked to:

- Note the initial Task and Finish Priorities of the Challenge Groups (Annex A)
- Note and comment upon the Work Programme for the GMCA Environment Directorate to support the Challenge Groups in their work (Annex B)
