

Greater Manchester Joint Health Scrutiny Committee

Date: 21 September 2022

Subject: Digital health and care update on investment priorities and digital inclusion

Report of: NHS Greater Manchester and Health Innovation Manchester

Purpose of Report:

The purpose of the report is to provide the Committee with an update on elements of the GM health and care digital strategy – notably the approach taken to determine digital maturity and investment priorities, as well as digital inclusion.

Recommendations:

The Committee is requested to:

1. Note the method and approach taken to determine health and care digital investment priorities, including the use of citizen personas as part of an engagement process.
2. Note the work undertaken to embed digital inclusion into the future design and delivery of digital services, including the highlighted area of good practice in primary care.
3. Request any points of clarification or future collaboration with Committee members.
