STATUTORY FUNCTIONS COMMITTEE

BACKGROUND AND STRUCTURE

GREATER MANCHESTER COUNTY RECORD OFFICE

AGMA funds units, based in various locations across Greater Manchester, which cover a range of functions where joint provision benefits the ten Greater Manchester district authorities.

The Greater Manchester County Record Office (GMCRO) is operated by Manchester City Council's (MCC) Libraries, Information and Archives on behalf of the Association of Greater Manchester Authorities (AGMA). Since 1986 GMCRO has since been funded by annual contributions from participating districts and other joint AGMA authorities (excluding Stockport)

GMCRO houses four miles of archives and seeks to:

- identify, collect, preserve, and promote the widest possible public access to the documentary heritage of Greater Manchester in accordance with the statutory requirement of the Public Records Act 1958 and 1967, the Local Government (Records) Act 1962 and the Local Government Act 1972.
- GMCRO also provides a range of services for the districts including conservation, preservation management, digitisation, digital preservation, staff development and training for volunteers.

- GMCRO reports to the AGMA Statutory Functions Committee.

GREATER MANCHESTER ARCHIVES AND LOCAL STUDIES PARTNERSHIP

Archives and local studies services in Greater Manchester provide invaluable access to the documented past of the City Region. In addition, there are excellent examples of how archives and local studies are actively engaged with communities in order to contribute to their councils' priorities. Much of the strength of both the traditional and newer community engagement role is made possible by the services being located in the heart of their communities. The current level of funding for archive and local studies services is a very small part of a council's budget.

Following a feasibility study the AGMA Statutory Functions Committee approved the creation of a formal Partnership to provide an over-arching strategy and development plan for the local authority archive and local studies services in Greater Manchester. The AGMA Statutory Function in July 2012 approved:

- The creation of an officer group to lead the work of the Greater Manchester Archives and Local Studies Partnership report to the AGMA Statutory Functions Committee.
- That the AGMA Statutory Functions Committee provide governance to the Greater Manchester Archives Partnership and to review the governance when the longer term vision and development plans are clear.

GREATER MANCHESTER DISASTER RELIEF FUND

The Greater Manchester Disaster Relief Trust was established in 1978 following a major fire at a store in Central Manchester. Its primary purpose then was to relieve financial need, sickness or other disability arising from large scale disasters involving loss of life or injury to persons or property. Historically, the Trustees of the Fund were the Leaders of the 10 AGMA authorities.

However, following a review of the Fund in April 2009, the Community Foundation Greater Manchester (CFGM) - now Forever Manchester - took over the administration of the Fund on AGMA's behalf. It was agreed as part of this arrangement that:

- a representative from the Committee be appointed to the Advisory Panel which was set up to consider applications.
- CFGM/Forever Manchester to submit an annual report to the AGMA SFC outlining awards made from the Fund.
