1. Introduction/Background

This paper provides an overview of the Greater Manchester wide service redesign projects currently progressing through for engagement and/or consultation. Not all the projects are substantial and therefore not all will be subject to full consultation.

The list of projects will change as projects begin, progress, or are paused or cancelled.

This report is updated every month to allow JHSC to stay up to date with the latest position and to request further information as required.

2. Projects

Project and anticipated level of engagement	Current stage	Overview
Adult ADHD <i>Consultation</i>	NHS England review – stage 2	There are currently long waiting times for adult ADHD diagnosis services. Engagement has been completed, along with options appraisal and the first stage of the NHS England assurance process has been successfully completed. We are currently planning for the second stage of the assurance process and the consultation. Date of JHSC: 16 th July 2024
Children’s ADHD <i>Engagement followed by possible consultation</i>	Engagement evaluation	There are currently long waiting times for children’s ADHD diagnosis services. Engagement ran for 9 weeks and closed on 8 th December 2024. Analysis of the engagement is ongoing with a draft report due in January 2025. Date of JHSC: February 2025

<p>IVF cycles</p> <p><i>Proposed consultation</i></p>	<p>NHS GM Board</p>	<p>The number of IVF cycles offered across Greater Manchester varies depending on where people live. This service redesign is looking at a policy that is equitable across Greater Manchester.</p> <p>Engagement and options appraisal has been completed. It is scheduled for the January 2025 NHS Greater Manchester Board with consultation planned to launch in February 2025. A written briefing on the planned consultation will be provided to GM JHS.</p> <p>Date of JHSC: 16th July 2024</p>
<p>Specialised commissioning cardiac and arterial vascular surgery</p> <p><i>Engagement followed by possible consultation</i></p>	<p>Engagement</p>	<p>The pathway of a very small numbers of patients who need urgent and specialist cardiac or arterial vascular surgery is being reviewed. This covers patients who use hospitals provided by the Northern Care Alliance. Patients may end up at a different location following the service review. Engagement is currently being undertaken.</p> <p>Date of JHSC: Winter 2025 (TBC)</p>
<p>Specialist weight management</p> <p><i>Engagement followed by possible consultation</i></p>	<p>Engagement</p>	<p>The tier 3 specialist weight management service supports people living with very high BMIs. There are currently different service levels across Greater Manchester.</p> <p>Early engagement has begun which is due to continue into October – November 2024.</p> <p>NICE guidance is also due out in spring 2024 that may influence this work, so at this time, the engagement is focusing on</p>

		<p>areas with the least access and specific socio-demographic target groups.</p> <p>Date of JHSC: Spring 2024 (TBC)</p>
<p>Diabetes structured education</p> <p><i>Engagement</i></p>	<p>Engagement planning</p>	<p>The offer and uptake of diabetes structured education varies across localities. This project is looking at whether there is the potential to create a standardised offer. Engagement is due to launch on 6th January 2025, with the draft report due in March 2025.</p> <p>Date of JHSC: April 2025 (TBC)</p>
<p>Children's autism</p> <p><i>Engagement</i></p>	<p>Analysis of engagement work to date</p>	<p>Children's autism service pathways are being reviewed.</p> <p>Date of JHSC: to be confirmed</p>
<p>NW Women & Children's Transformation Programme</p> <p><i>Engagement followed by possible consultation</i></p>	<p>Preparing options appraisal</p>	<p>The NW Women & Children's Transformation programme aims to translate several national reviews and associated standards related to Neonatal Critical Care; Paediatric Critical Care; Surgery in Children; and Children and Young People (CYP) with Cancer into an operational plan for the North West.</p> <p>NB: North West footprint for this work, scrutiny arrangements are to be agreed.</p>

<p>Procedures of Limited Clinical Value</p> <p><i>Engagement</i></p>	<p>Engagement planning</p>	<p>Procedures of limited clinical value are medical procedures that the evidence shows will not have a positive impact on most people. Therefore, they are only recommended in certain circumstances. The treatments have been temporarily paused (with exceptions at clinician request) whilst a review is undertaken with engagement planned to support the review.</p> <p>Date of JHSC: 10 December 2024</p>
